

The **BLAST** Scholarship
Building Leaders A Semester at a Time

Right before my final semester started, I was awarded a \$250 scholarship and I'll never forget the positive impact that scholarship had on me. I was able to settle various financial obligations and focus on wrapping up my studies.

Now that I've graduated and my career's underway, I want to help students too - the same way I was helped not long ago.

- Be currently pursuing a STEM related degree
- Hold two or more leadership positions on campus

To apply, please submit:

- A 750 -1000-word essay on the difference you believe you're called to make on your campus
